

UNDER ARM SWEAT PAD

PRODUCT IMAGE

PRODUCT DETAILS

Each sweat pad comes with a self adhesive strip so that it can stick to the inside of the clothes without any hassles. Apply it along the seams of the garment and avoid embarrassment of underarm sweat. The ultra thin and soft texture of the sweat pads is breathable in nature. Underarm Sweat Pads are made of nonwoven fabric and are ideal for both men and women to be worn for events like job interviews, public speaking, dinner parties, office etc. The soft texture of the pads is breathable and deodorizing in nature, hence the pad is invisible from outside of your clothes. Owing to its folded shape, it adheres securely over your clothing and stays in place all days long. It can be used by everyone but are particularly suitable for people suffering from hyperhidrosis. Freedom from under arm stains and odour. Disposable ultra thin soft and comfortable sweat pads. Suitable for Men and Women both. Material composition non woven, dust free paper and sticker. High Perspiration Absorption Throughout the Day. Zero stains zero rashes zero odour
